About Us

Crossroads City Derby (CCD) is the very first women’s flat track roller derby non-profit 501(c)3 league in Las Cruces, NM. Founded in November 2009, CCD became a reality through the hard work of ambitious, strong women seeking something different, challenging and exciting.

CCD is deeply involved with our community volunteering for organizations such as: La Piñon Sexual Assault and Recovery Services, March of Dimes, Action Program for Animals, Alzheimer’s Association, American Cancer Society, Southern NM Pride, Special Olympics and the Children’s Youth and Families Department of Protective Services Division (CYFD).

In addition, CCD is a full member of the Women’s Flat Track Derby Association (WFTDA). This enables us to compete on a national level against various teams across the United States and give the City of Las Cruces more to be proud of.

For more information on WFTDA, please visit:

Why Sponsor?

Our league is owned and operated by skaters and volunteers. Not only do we run the league, we also produce games and other events that require funding. We balance school, our jobs, families, friends and derby all for the love of the sport. Members of CCD are not paid for the amount of time and commitment it takes to run our league or the many hours of training involved to be competitive. We cannot keep our league running without the dedication and support of our community. Becoming a sponsor of CCD, you will reach an audience that you may not have access to normally. We have averaged 300 attendees per game over the last few seasons. Our online presence continues to grow with the popularity of our league and the sport in general. Per the Women’s Flat Track Association, roller derby is one of the fastest growing sports in the U.S. You’ll also become a part of this exciting, fast-paced sport that we love.
